Course: Red

Race No: Q6

Posted Score: BFD

Scoring Inquiry:

BFD is not correct.

I had a clean start and also wasn't noted on the board of vessel.

Response Title:

The race committee scored 2732 BFD based on their observations from the video at the pin boat according to RRS 90.3 (c).

There is no obligation of the race committee to display the sail numbers on the CV as there was no general recall.

2732 remains BFD.
