**Inquiry No:** 15

**Course:** Double handed

**Race No:** 2

**Posted Score:** 35 (CHK10)

**Protest Party:** 420 - CAN 8630 - Cecilia Williams

**Scoring Inquiry:**

8630 was unable to check in within the given time period due to the difficult sailing conditions and difficulties with their boat. When they arrived in the harbour they were met with a huge line to pull the boats out of the water. This line was particularly bad because one of the 420 launch ramps had been damaged and was out of commission. Please consider removing the 10% penalty.

---

**Response Title:**

We appreciate that checking in on time was made impossible by the circumstances, so the CHK10 penalty has been removed.
