Scoring Inquiry:

This is about the collision at the finish line for yellow division at day 2 race 2 (total race number 4). According to my athlete, there was some big error at the finish line causing two finish boats to crash with each other. Because of this incident many sailors were affected and he(5555) somehow scored DNC. The finish line main referee herself told him to go port side of the combined finish boats. Also told all the sailors to go land because lima flag was closed. As his coach, i have the video of him turning float number 3 (gate floats). At the gate, sail no 223 was 5 boats in front of him. Sail No 223 was scored 84th.

Witnesses:

Pretty much everybody around finish line at the time
