Scoring Inquiry:

This is about the collision at the finish line for yellow division at day 2 race 2 (total race number 4). According to my athlete, there was some big error at the finish line causing two finish boats to crash with each other. Because of this incident many sailors were affected and he(5552) somehow scored DNC. As his coach, i have the video of him turning float number 3 (gate floats). At the gate, all the sailors around him finished DNC, so i have no idea about his scoring at the finish line.

Witnesses:

Pretty much everybody at the finish line at the time
