Scoring Inquiry:

We saw to our surprise in the result that we have a BFD in race 6. We think there was a mistake made, because we had a bad start, arrived late at the line (~40seconds before the start), also we checked the tracker and no boats that started in front or next to us had a BFD. So I would like to hear the recording to know when we were over and check it with the tracker. We were 8 in this race.
