Scoring Inquiry:

I have mistakenly registered the wrong sail number (213678), while I sailed with sail number 164422. This was my first event and I really hope this mistake can be addressed.

Witnesses:

In the first race, I did 3 laps and finished behind Chloe Grayton. In the second race, I think I finished around 12th near Bronwen Thomas. In the 3rd race, I finished around 17th - four places behind Bronwen Thomas.
